## Taking Loan Advance

1. Go to **Money Movement** in the top menu and select **Loans**.

The screenshot shows the Columbia Bank Commercial Online Banking interface. The top navigation bar includes 'Welcome', 'Reports', 'Money Movement' (highlighted with a red box), 'Account Services', and 'Administration'. The user is logged in as 'Hi, [Name]' and the last login was on Dec 23, 2025, at 6:51:13 PM ET. The 'Loans' section is active, showing a list of loans. A dropdown menu is open under 'Loans', with 'Loans' selected (highlighted with a red box). The dropdown options include 'Instant Payment', 'Zelle®', 'Transfer Money', and 'Loans'. Below the dropdown, a table of loan details is visible, with columns for 'Description', 'Note ID', 'ABA/TRC', 'Original Balance', 'Current Balance', and 'Commitment ID'. The first row shows a 'Bill Pay' loan with Note ID 123205054.

2. Expand the view by clicking the carrot next to the loan you would like to make a payment to, and then click the ellipsis to display the menu. Select **Request Advance**.
